Congratulations Year 12 Graduates!

Yr12 Graduation Evening
TSC celebrated the graduation of our Yr12 cohort on Monday 26 October. Our students were fantastic and our audience very appreciative of the event. It was fantastic to see so many family and friends attending to see our Yr12s graduate. Suzie Gerada coordinated the evening and ensured it ran with military precision.

Thanks you
Thank you to our teaching and support staff for your work in supporting our cohort through the ups and downs of Year 12. Your work in helping our students through the hardest school year of their lives is much appreciated.
Thank you also to our families who played a vital role in getting their children from Prep through to the end of Year 12. An amazing effort all round!

Celebration Day
Our Yr12 students celebrated their end of classes in fine style recently. After meeting at school nice and early the cohort spent the day playing games, enjoying a BBQ and running around Williamstown beach letting off steam after a year of hard work.

Yr12 Examinations are here!
Our Yr12 exam program began this week in our brand new exam centre. It’s been a long three years getting our cohort to this point. Now that they are here, we wish them well. Students must continue to work hard over the exam period and then enjoy a break – after exams!

Tarneit Cricket Club
TSC is a major sponsor for our local Tarneit cricket club for the 2015-16 season. We wish them all the best. Go Titans!
**School Fees and Booklists 2016**
The college are offering ‘bundle’ options to all families for the 2016 school year. By combining our laptops, booklist and school fees into one bundle families are able to save hundreds of dollars of the cost of educating your child at TSC. Please contact Kathrine or Karrie in the general office for more details. Second-hand books such as English novels will also be available to families later in the year.

**Parent Opinion Survey Data**
Our data from the annual Parent Survey has arrived. The data is very good with the school being placed above State-wide averages in almost all sections. One area we will continue to focus on improving for 2016 is ‘Extra-Curricular’; despite an improvement in this area compared to 2015. Senior Colleges often suffer in the ‘Extra-Curricular’ section. Part of this may be teenager’s reticence to tell family what they get up to at school!

**Year 12 Jackets**
The ordering process for our Yr12 jackets has commenced. VCAL students have coordinated the process and have done an outstanding job. 2016 jackets are reversible ensuring added wearing opportunities for our students. Students are required to pay the fee by mid-November to ensure the jackets arrive in time for term 1 2016.

**Building Update**
The Department has come to our aid and promised an additional Administration type building for us for 2016. This new building will house our Well-Being team which will be growing significantly in 2016. We will have a Psychologist, Youth Worker and 2 Multicultural workers on site to support our students and the community next year. Our Exam Centre was delivered on time meaning our Yr12s have commenced end of year exams in a brand new building; purpose designed for quiet exam sitting.

**Enrolments 2015; growing every day**
Enrolments continue to rise for 2016. We have predicted an enrolment figure of over 400 students. However we are already almost at this point and expect our final number will be closer to 430. We ask that if you are planning a move out of Tarniet that you contact us as soon as possible to allow us to offer positons to those families waiting to enrol at our college.

**Contacting the college**
Parents are welcome to contact the college at any time. Either by coming into our general office, calling us or via college email. Please be aware that the college will not respond to anonymous calls or emails. We encourage all our community to engage with us, but unless we establish who you are – any communication will be initially limited to a request for you to identify yourself.
Get involved in the Tarneit community!

Michael Fawcett & Rosa Marchionda
