

Student Code of Conduct

1. Students are to show consideration for others and ensure their words and actions cause no harm.
2. Students are to show respect for the school environment and the property of others.
3. Students should expect to be taught by teachers who are professional and encourage them to excel and they should be prepared to take responsibility for their own learning.
4. Students should expect to be treated respectfully, to show respect for others, and to follow reasonable instructions from teachers.
5. Students are to move in a manner that is non-disruptive and safe for others and themselves.
6. Students are to attend school and class punctually and be prepared for all activities.
7. Students are not to use or distribute any form of legal drugs such as cigarettes, alcohol and prescription drugs, and illegal drugs.
8. All students are to wear school uniform which promotes a positive image of the College to the wider community, to and from school and at school related activities.

Classroom Rules

- The following rules apply in the classroom:
- No chewing gum, food or drink, apart from plain water, are to be consumed in class.
- Hats are not to be worn indoors
- Bags are not allowed in the classroom
- iPods not to be used in class unless directly related to set curriculum
- Students must not leave class without a pass or diary signed by their teacher.
